Driving Restrictions, Goods Transport
Denmark

There are no driving restrictions on goods traffic at weekends or on public holidays.

Local driving restrictions

There are, however, local driving restrictions in the centre of Copenhagen for goods vehicles of over 18t MPW. The area concerned is bordered by the following streets: Nørre- and Vester Voldgade, Stormgade, Holmens Kanal and Gothersgade. The route via Chr.IX's Gade - Kr. Bernikowsgade - Bremerholm is authorised.

Furthermore, vehicles of over 3.5t MPW are forbidden to cross Amagertorv and the surrounding pedestrianised streets.

In exceptional cases, exemptions may be granted. Applications should be made to -

Oresund Bridge

Transport of Dangerous Goods

The transport of dangerous goods is forbidden on the bridge between 06h00 and 23h00 (category E) and between 23h00 and 06h00 (category B).

Further information is available here.

Abnormal Load Transport

Special prices and conditions (limited time periods for crossing) apply for abnormal load transport on the Oresund Bridge. Authorisation must be obtained from the Danish police authorities and the Oresund Bridge Traffic Centre must be notified at least two hours before the vehicle crosses the bridge at the following phone number: +45 33 41 65 91. The authorisation, the size of the vehicle as well as the time slot, must be given at the toll gate.

Further information is available here.

Great Belt Bridge

Abnormal load transport must obtain prior authorisation in order to cross the bridge. Vehicles over 2.8m in length need authorisation by phone from the Observation Room (tel: +45 58 30 30 51) at least two hours before crossing the bridge.

Vehicles between 100t and 350t, or over 4.5m in width or driving at a speed of less than 45 km/h need prior written approval. Authorisation from the police and a class certificate must be sent to the following fax number +45 58 30 30 03 at least three days before crossing the bridge.

Further information is available here.

Summer Driving Restrictions

Between 15 June and 31 August, if temperatures reach 25 degrees Celsius and over, a driving ban may be enforced from 12h00 to 18h00 for heavy vehicles transporting abnormal loads.
