NOTĂ

- Pentru a elimina unele confuzii, precizăm că Lista de mai sus reflectă solicitarea inițială a transportatorilor înscriși la alocarea CEMT și nu numărul de autorizații CEMT alocate !
- În cazul solicitărilor care nu au putut justifica, integral, numărul libertăților solicitate, distribuirea, între categoriile, a libertăților eligibile s-a făcut pentru categoria cea mai favorabilă din punct de vedere al alocării acestor libertăți;
- În cazul în care solicitantul nu a declarat o relații contractuale restrictionate care să justifice „libere" solicitate, s-a admis participarea la alocare pentru un număr minim din aceste libere, ținând seama specificitatea fiecărei solicitări.
